

Summer Stock 2018

This summer stock drop includes brand new materials in existing stock garments along with a replenishment of popular colours. All garments featured in this mini newsletter are off the shelf items along with a new made to order design. Be fast on our shiny new stock before it disappears in a downpour.

We have some brand new stock items which have already arrived and are ready at your fingertips! You will find that we have been so eager to get the new stock materials on and available to you that the photos on the website are hot off the press! The photo shoot was a very unique and exciting opportunity to utilise a local vintage lido swimming pool facility, which makes for the perfect backdrop of SS18.

In other news, the highly anticipated extra soft PIP2 (Pink Pearl Soft 200microns) and the gorgeous RES5 (Red Shiny with White Polka Dots 200 microns) material rolls are now in stock and ready to select for made to order specifications.

Brand NEW!

Bicycle Balenciaga

Ok ok, so we aren't realistically in the running of 1950's Balenciaga, but the beautiful images of voluminous and extravagant capes from this fashion labels' time had created a spark of resemblance with our Short Fifties Cape.
